

HOUSING AND INTERIORS 2 **(Housing and Home Furnishings2)**

Course Code: 5831

Housing and Interiors II provides students opportunities to develop skills in applying the elements and principles of design. Students will study interior backgrounds, furnishings, lighting and accessories. Comprehensive design projects are integrated throughout the course. Career and entrepreneurial opportunities within housing, interiors, and the furnishing industries are explored. Integration of the Family and Consumer Sciences student organization, Family Careers, and Community Leaders of America (FCCLA), greatly enhances this curriculum.

Objectives:

Students will:

1. apply elements and principles of design.
2. evaluate interior backgrounds.
3. analyze furniture by historical eras.
4. describe appropriate lighting and accessories.
5. demonstrate career and entrepreneurial skills.

Credit:

½ -1

Textbooks:

Glencoe/McGraw-Hill

Homes: Today and Tomorrow, 6th Edition
Student Edition

Author: Sherwood
0078251443 09-12 2002 \$41.97

Homes: Today and Tomorrow incorporates basic skills, critical thinking activities, and technology into the curriculum. The text contains units on architectural design, making housing decisions, basics about interior and exterior construction, and the principles and elements of design. Information on design planning, furniture selection, basic maintenance/repairs, and careers in the housing industry is also covered in the book. The program is logically organized and includes an interactive CD-ROM.
